	individual members of the TV-Division the left arm with the Rumanian national colors, the initials TV and another unidentified emblem.	
:	In September or October 1951, residents of Selistat (R 36/R 71) born in 1932 and 1933, both Rumanians and ethnic Germans, had to report for registration in Agnita, the district town. The residents stated that all stands Germans and part of the Rumanians had been registered for Labor nothing on inductions prior to early December 1951.	2
	registration in Agnita, the district town. The residents stated that all stanic Germans and part of the Rumanians had been registered for Labor nothing on inductions prior to early December Comment. The induction situation in Parameter is all the registered for Labor nothing on inductions prior to early December Comment.	2
	registration in Agnita, the district town. The residents stated that all stands Germans and part of the Rumanians had been registered for Labor nothing on inductions prior to early December Comment. The induction situation in Rumania is still somewhat unclear. There are indications that probably the bulk of the 1928 class was inducted in the fall of 1949; the bulk of the 1929 class in the fall of 1950 and the spring of 1951; the bulk of the 1930 class in the fall of 1950 and the spring of 1951; the bulk of the 1931 class in the fall of 1950 and the spring of 1951; the bulk of the 1931 class in the fall of 1950 and the spring of 1951; the bulk of the 1931 class in the fall of 1950 and the spring	2
